## Millésimé Empire 2016

Napoleon's Chasseurs à Cheval were the embodiment of courage and daring ! Their brilliant feats of bravery have transcended time. The Millésimé Empire is a cavalry charge of flavors, where the finesse of Chardonnay cuts like a blade, and the strength of Pinot Noir echoes the power of a noble mount.

The blend of 50% Chardonnay and 50% Pinot Noir is a family heritage deeply rooted in our terroir. It is the fruit of ancestral know-how, combining the heritage of a grandmother from Bouzy, the heart of Pinot Noir, and a grandfather from the Côte des Blancs, renowned for the excellence of its Chardonnay.

Long live the emperor !
