Jean-François Clouet's aspiration in his exciting new Les Jardins collection is to tell the story of his terroir, and the very first tasting of his first release confirms his aspiration magnificently! This is a beautifully poised Bouzy chardonnay that shows wonderful tension and precision in its newly disgorged, zero dosage guise. Lemon, apple and white peach of pure focus trace a long finish of beautifully linear flow, underscored by magnificent chalk minerality. Its lemon precision is captivating and exciting, completely unexpected for Bouzy chardonnay! Impeccably handled barrel fermentation leaves the focus to pristine fruit, true the accuracy of the outstanding 2019 vintage. An outstanding Bouzy blanc.
