This is blanc de blancs like you've never known it, declaring the dramatic terroir of Bouzy to magnificent effect, contrasting the generosity of body and mouth feel with the crystalline minerality of pure white chalk. The energy and balance of 2019 is beautifully presented in white peach, grapefruit and lemon, accented with spice. Chardonnay from this powerful pinot territory carries intrinsic body and fullness, furnished with magnificent line and length, with the promise of ageing confidently over the coming decade. With impeccable body and pois, it has no dosage, and no need for it.
